## A Word From The President

The purpose of this organization is "to promote, extend and protect the interests of numismatic activities throughout the state, and to foster and encourage the study of numismatics in all its forms and branches. The date of the organization is Washington's birthday, and the place of birth, Santa Barbara, February 22, 1947.

The Bakersfield meeting, the first one to be given by the State organization, was honored by having the president of the A.N.A., Lloyd Getty,

and A.N.A. secretary, Lew Regan with us. Their presence was an inducement to us and gave us much encouragement to go forward. The attendance was well over 100.

The Fresno meeting last February was again attended by over 100, the auctions were well attended and the bidding was active. The auctions in the two previous meetings had been conducted and managed by our friends and co-workers, Earl Parker of San Francisco and Kenneth Lee of Glendale. They gave us a great deal of time and were not duly compensated for their efforts. This year we gave Sam Kabealo complete charge of conduction of our auctions which he and his clan handled to our complete satisfaction. However, the members were not deprived of the privilege of giving duplicates or any other coins they might care to dispose of to the auction and marked for the convention sale. This arrangement was tried for this meeting, and no hard and fast rule has thus far been used.

The A.N.A. expects a 2/3 loss in its membership during the first year. The California State Numismatic Association is now 1½ years old and we claim a membership of over 340, and our loss from reinstatements after the first year of dues was paid, was only 25 persons. This number, I am sure, can be cut down with a little personal solicitation.

The eastern dealers tell us that about 25% of their sales come from the Pacific Coast. Some large dealers tell us that percentage is too low. We are pleased to have them interested. I want to say at this time that any dealer or numismatist who is not a member of the California Numismatist Association who applies for membership is earnestly requested to join us in the near future. We can be of help to you and improve your numismatic contacts and fratership.

California is a state to be reckoned with numismatically. There are more A.N.A. members in California than in any other state in the union. Next to the A.N.A. meeting, the California State Numismatic Association is second in its interest and purpose—ever mindful to promote friendship and fratership between all of the coin clubs of the Pacific Coast. Perhaps we may lose this position if Orange County continues its onward progress.

Another item to which the west coast must give some serious consideration is the matter of proxies for the annual business meeting of the A.N.A. We ballot for officers by mail and proxies cannot be used for the election of officers. But do not forget—your proxies do not need to go along with your official vote. Proxies and the official vote can be separated and retain your proxy where it will accomplish most for what you may intend it. I suggest that you retain your proxy vote for the Pacific coast and allow it to be used on any business that might come before the annual meeting of the A.N.A.—these proxies to be held and to be voted by one or more persons as might be determined by your proxy holders who had announced their intention of being in attendance at the regular session of the A.N.A. meeting. It has been the firm conviction of your officers thus far not to become involved politically, but strive at all times to get the best man for the job. A man who is not only willing to work, but who can get others to work, is the man we are anxious to contact. We should, and will always be willing to recognize the work ability of any individual outside the official family. It is energy judgment, tact and ability that will always be our measuring stick.

As you come to be known in our organization and are willing to be constructive in your plans for the future, avoiding dissension and destruction to our onward and upward growth, repairing our weaknesses, you will be the man who will always find a place to work. Numbers do not always determine their accomplishment, so let's work as a unit and membership will care for itself. Let's show anyone interested in numismatics that he is losing something by not being a member of the California State Numismatic Association.

## C S. N. A. Spring Convention

### SAN JOSE, CALIFORNIA

April 15, 16, 17, 1949

Hotel Sainte Claire in the heart of San Jose has been chosen as convention headquarters for the 1949 spring convention of the California State Numismatic Association. Because the A.N.A. convention this year will be held in San Francisco in August, this will be the only C.S.N.A. convention in 1949.

Todo Dinero Numismatic Society, headed by Rudy Gjurovich as president, will be host club. Although only a young club in years, it is composed of a group of enthusiastic collectors who are making preparations to show C.S.N.A. members what they can do in the way of entertaining a convention of coin collectors.

San Jose, located approximately 50 miles south of San Francisco, is a beautiful city of about 175,000, situated in the heart of Santa Clara County, one of the great fruit producing areas of the world. In and about San Jose are located many places of interest, among them the Lick Observatory, the Rosicrucian Oriental Museum and the world famous Winchester House. San Jose dates its history back to 1777, and was incorporated as a city in 1850, one of the first in California.

The committee in charge is arranging the program, details of which will reach members at a later date. Mr. S. J. Kabealo will again conduct the auction and invites listings from members for the sale.

# Librarian's Page

As can be seen from the list below, there have been quite a few additions to the library, but many gaps remain to make it a well rounded out reference library. Any contributions to the library will be gratefully acknowledged.

All books and pamphlets are being indexed and catalogued as received. It is hoped that members will take advantage of the library. A post card to the librarian will receive prompt attention. Books may be borrowed at no cost other than postage for mailing and return.

## Club Notes

With several new clubs recently organized and several more planned (in Santa Rosa and Monterey), the list of clubs in California is growing to an imposing number. Most recent on the list are the Santa Cruz and Sacramento clubs.

EAST BAY COIN CLUB in Oakland has been holding meetings since April with a very fine attendance and the December meeting will see election of permanent officers.

SAN BERNARDINO COUNTY CLUB, recently organized, held its 4th meeting at the home of Bland Haydon in Redlands on October 21st with 16 present. Howard Smith and John Lenker were the speakers.

TODD DINERO of San Jose has been very active this year under the leadership of Rudy Gjurovich, president. A large exhibit at the County Fair attracted much attention and gained new members for the club. Plans are now under way for the C.S.N.A. convention to be held in San Jose in April.

PACIFIC COAST NUMISMATIC SOCIETY, San Francisco, is making plans for the A.N.A. convention to be held there next August. The club has set a membership goal of 250 and claims 200 as of this date.

LOS ANGELES JUNIOR COIN CLUB, newly organized with Ronnie Lyons, S. S. N. A. convention veteran as one of the moving spirits.

BAY CITIES COIN CLUB, Santa Monica, now meets at Ambassador Hotel, with a dinner preceding the meeting. Recent change in by-laws admits women to membership.

SAN DIEGO NUMISMATIC SOCIETY hits membership record with admission of 75th member in November. The November issue of its bulletin, edited by Mr. T. W. Ward lists 21 San Diegans at Santa Monica convention.

CLASSICAL COLLECTORS GROUP, not strictly a coin club, Los Angeles, is a newly formed informal group with no officers, dues, business or rules, open to anyone interested in the study of antiquities. Meets monthly on 3rd Fridays at Felipe de Neve branch library, 2820 West 6th Street. Next few meetings will feature such objects as "Ancient Glass"; "Biblical Coins" and "Earliest Roman Coinage".

## REVIEWING THE SANTA MONICA CONVENTION

Perhaps the best expression of what the third semi-annual convention of the California State Numismatic Association, held at the Ambassador Hotel on October 8th, 9th and 10th was, is the resolution passed by the Board of Directors of the Orange County Coin Club—

"Resolved: That the state convention of the California State Numismatic Association held in Santa Monica on October 9th and 10th, 1948 was an excellent meeting, providing a great stimulus for all persons interested in coin collecting, just what was needed for our hobby, and we wish to thank and commend all members of the organization who had any part in the meeting."

Everything about the convention attested to the increase in interest in these convention meetings. The attendance of 211 registrations was almost double the best previous record, and while a portion of this is due to our increased membership, the fact that the registrants came from 59 California communities is significant.

Approximately 175 attended the banquet on Saturday evening and the luncheon on Sunday noon. Ralph Mitchell of Bakerfield presided on Saturday as master of ceremonies; Jack Hecht of San Francisco being in charge on Sunday. The speaker on Saturday was Mr. Herbert Bergen of Fullerton who presented a paper on "The Romance of Gold", and Abe Kosoff of Beverly Hills on Sunday delivered a well prepared talk on "Counterfeiting".

A record number of dealers at the bourse made that feature of the conventions a continuous scene of activity, and more than forty members' displays (listed elsewhere) broke all records for that phase of the convention. The bourse and displays were shown under ideal conditions in the large, high ceilinged, well lighted Sea Foam Room.

The auction sale conducted by Mr. S. J. Kabealo of Pasadena was well attended at both sessions on Saturday and Sunday afternoons. The 782 lot sale listed no great rarities, but the diversified offering attracted more collectors and resulted in spirited bidding. Mr. Kabealo is to be commended for arranging an interesting sale.

This was the first convention to be held with a local club as host. The Bay Cities Coin Club and its members deserve a vote of thanks for arranging such fine meeting, with particular mention of the committee in charge consisting of Mr. Aubrey Austin, general chairman; Mr. Harry Davidson, president of the club; Mr. Abe Kosoff, Mr. Jim Milsdin and Mr. Karl Brainard. Although a great many contributed to the success of the meeting, special thanks is due to the hotel management and to the Santa Monica Chamber of Commerce for the splendid cooperation afforded us.

It was a good convention, showing the result of experience gained at the first two meetings, and may well serve as a mark for future conventions.

The above list is not at all an adequate description of the exhibits; we simply lack space to do them justice with the write-up that each deserves. So we have just mentioned the items in each which made the strongest impression on the writer; practically all of the above people showed many more fine coins not listed.

It certainly was a beautiful showing, and was remarkably diversified. Our list will give you an idea of the variety and quality of material shown, and almost every kind of coin was represented in some display.

## CONVENTION NOTES

The team of "Swede" Ostrom and Johnny Lenker delivered again, this time with the disclosing of a recipe for preparing "lutefisk" in Swedish(?) interpreted by Johnny.

\* \* \*

Ronnie Lyons, youngest member at the Bakerfield convention, was very much the convention veteran, attending his third convention at Santa Monica.

\* \* \*

Led by Ralph Mitchell, the south team of Mitchell, Jack Barnes, Joe Steele and Ronnie Lyons nosed out the north team of Earl Parker, Roy Hill, Chris Petersen and Dave Redfield 70-65 on the radio quiz program sent over the air on station K.O.W.L. on Saturday evening.

\* \* \*

Frank Smith from Wheaton, Illinois must think we are all right. So far he has not missed one of our conventions.

\* \* \*

And Art Kagin who was at Bakerfield but missed Fresno was back and brought his family along from Des Moines, Iowa.

Joe Steele, who had difficulties with the chairs at Santa Monica says that there is no truth in the rumor that he is inventing a special chair with a low center of gravity to take to San Jose.

\* \* \*

Was Jim Miladin's face red. The photographer he hired to take pictures of the banquet ruined all the negatives, and Jim had to announce "no pictures". Tough. We wanted one too.

\* \* \*

The ribbons awarded for exhibits made a big hit, and the committee headed by Dr. N. A. Bowers which judged the exhibits deserves a hand for a difficult job well done.

\* \* \*

In addition to the well publicized Brashear doubloon there were on exhibit such rare sights as the 1874 \$20 gold pattern, Russian platinum coins, 1894-S dime uncirculated, 1913 liberty head nickel, 1824 \$2.50 dollar gold, and many others.

\* \* \*

What we want to know is who got all the pictures that were taken when Miss Colleen Townsend, movie starlet, made her appearance on Sunday. Or, were those negatives ruined too.

\* \* \*

Abe Kosoff made his appearance early, probably due to the fact that all he had to do was find Pico Blvd. and head west, without having to decide between hiways 99 and 101.

\* \* \*

Chris and Mrs. Petersen who drove down from Chehalis, Washington, returned via San Diego where they spent several days with Mr. and Mrs. Panosh. According to Chris he really made the side trip to find out if it was really true that all the burros in Tia Juana are striped.

\* \* \*

And James Kelly who planned on coming from Ohio, found he couldn't make it so reserved a bourse table anyway and sent some nice door prizes instead.

San Jose Convention—April

A. N. A. Convention—August

This bulletin was planned to be issued in November. A combination of many circumstances has caused it to be delayed until now. This job of secretary has been a lot of work (when added to what I do to earn my daily bread), but I have been amply repaid. The friendships I have made and the close association with so many of the members is something I could not have gotten in any other way.

I appreciate the confidence reposed in me. I hope that these bulletins have accomplished the purpose for which they were started, that is to keep members informed of news of the association, what has been done and what is planned to be done.

I hope that I may greet you all at San Jose in April or in San Francisco in August. My best wishes to all and may you enjoy a happy and prosperous 1949.

Sincerely,  
Leonel C. Panosh  
Secretary-Treasurer

# 1949 A. N. A. CONVENTION

SAN FRANCISCO, CALIFORNIA

Palace Hotel

August 21st to 24th

With the Pacific Coast Numismatic Society of San Francisco as host Club, and the California State Numismatic Association and all California coin clubs as sponsors, the 1949 A.N.A. convention should be the greatest A.N.A. convention in its history.

In addition to the Palace Hotel which will be convention headquarters, rooms have been contracted for at six other hotels to house what is expected to be the largest attendance at any AN.A. convention.

With its many famous restaurants, parks, bridges, points of interest such as Fisherman's Wharf, Cliff House and many, many others, the city on the Golden Gate has much to offer to its visitors, and the committee in charge is taking full advantage of these to offer a program of entertainment that will live long in the memories of those who attend. Special attention is being given to entertainment for ladies, particularly those whose husbands will be occupied with convention details.

The auction sale has been awarded to Numismatic Gallery of Beverly Hills, California.

The official executive committee in charge is:

Edward Fogler, General Chairman  
Charles Knabenschuh, Treasurer
